Dear Parents/Guardians and Patrons,

We are excited for a new year of growth and the learning opportunities our students will have during the 2023 school year.

The purpose of this letter is to provide information that will help you prepare for your child to begin a new school year. We've included a suggested supply list by grade – K - 6th that our students will utilize during the 2023 school year.

NOTICE: The items on this list will be used during the regular school day. These items may be brought from home on a voluntary basis, otherwise, they will be furnished by the school.

In an effort to provide our students with engaging learning experiences beyond the classroom setting educational field trips are often planned as well as having authors, scientists, and other professionals visit our school. All expenses related to student participation in school-sponsored outings during the regular school day are incurred by the school.

We welcome any and all donations (supplies and/or \$) on behalf of our students! Monetary/cash donations may be used to help fund field trips and other learning activities we feel are important in helping our students grow and develop and to purchase instructional resources for our students. Monetary/cash donations in any amount under \$250 may be mailed/dropped off to the Valley View Elementary main office. Donations over \$250 must run through the Weber School Foundation for tax-related purposes.

Weber School Foundation
5320 Adams Avenue Parkway
Ogden, UT 84405
Phone: 801-476-7827.

When donating to the Weber School Foundation, indicate you would like the donation to benefit Valley View Elementary School.

If you have any questions, please don't hesitate to contact me.

Sincerely,

Phil Nestoryak
Principal
Valley View Elementary
